

7th Grade Supplies 2019-2020

The 7th grade team encourages students to “color code” their materials so that they can organize and locate their materials more easily. This is not a requirement, but is a helpful strategy for many students. *If possible*, please pick up supplies that are **red** for social studies, **blue** for science, **green** for math, and **purple** for ELA. Additional classes would not have blue, green, purple, or red materials.

We also request that every seventh grade boy bring in a box of tissues and every girl bring in a box of pencils for their homeroom classes. Each student will benefit from these supplies during the year!

Please note: This is a list of general supplies, but we understand that each student has a different approach to organization. If he/she would like to ask his/her teachers about an alternate organization system, they may do so the first week of school before purchasing supplies.

The Required Supply Lists Are as Follows:

Social Studies:

- Highlighters
- One 1.5 inch binder
- Pack of dividers
- Loose leaf paper
- Pens/pencils
- One box of color pencils
