Elementary: Physical Education, Specials, and Recess

Adjustments for Inclement Weather

Knowing that outdoor environments are safer for students and staff, we will continue to hold Physical Education, Specials, Recess, and Lunch outdoors whenever practicable. However, as cold and inclement weather become more likely, we anticipate that time indoors will increase.

We have reorganized our Specials classrooms to accommodate students with social distancing. While in these shared spaces students will keep their masks on, taking mask breaks outside the classroom if necessary.
