

April 6, 2020

Dear Haldane Families:

As you are likely aware, today Governor Cuomo extended the New York State school closing to April 29, 2020.

Additionally, the New York State Board of Regents announced today that the June Regents Exams are cancelled. We anticipate further guidance this week regarding the implications of the cancellation on course credit and graduation requirements.

During this time of closure, Haldane will proceed with the [Continuity of Learning Plan](#), available on the [COVID-19 page](#) of our website. Please know that we continue to assess methods for maintaining instructional continuity for our students. The Continuity of Learning Plan will evolve as we determine best practices for engaging Haldane students in content review and new learning, and we will keep you updated on any shifts in our practices.

I plan to offer another Community Webinar next week to answer questions about Haldane's transition through this process. Please continue to refer to our website for updates and COVID-19 resources.

I wish you and your family continued good health.

Sincerely,

Phil Benante, Ed. D.
Superintendent of Schools
Haldane Central School District
