Subject: Virtual College Tours and Virtual College Fairs

Dear Juniors and Families:

In light of campus closures due to COVID-19, college admissions offices are working hard to provide virtual experiences to prospective students. For more information and to register for opportunities such as virtual tours, webinars, and college and program-specific open houses, be sure to check individual college admissions sites regularly and sign up to be on their mailing list.

In addition, you can register for virtual college fairs such as the [Strive Virtual College Exploration](#).

The State University of New York released a [SUNY Virtual Events Schedule](#) for high school juniors to assist in their search process. Students can register for SUNY Virtual Events at <https://www.suny.edu/attend/events/>.

Other useful links for virtual college campus exploration:

- [www.campustours.com](http://www.campustours.com)

Students are encouraged to utilize [Naviance](#) search features throughout their college planning and exploration process.

Please feel free to reach out with any questions you may have.

Best,  
Mrs. Cotchen
