### Introducing a **new force** for the **arts** at **Haldane...**

**Haldane Arts Alliance** (HAA) is a new nonprofit organization. Our mission is to support and promote performing, media, visual, and literary arts at Haldane by initiating art-related programs and performances, and by providing enrichment opportunities for students as well as professional development for staff.

Haldane Arts Alliance will keep up the good work done by the Haldane Arts Booster Club. And we'll build on it. Starting this fall, HAA will host the monthly arts meetings that will remain open to all Haldane arts supporters. We will continue to partner with other Haldane organizations, local businesses, and arts nonprofits. **But now we'll be able to support our students by raising funds for arts enrichment!**

### **Join the Alliance! Become a 2018-19 Haldane Arts Ally today!**

Individuals or families who **donate \$25** or more will officially join our alliance. You'll receive updates and Haldane Arts News for a whole year. And we'll send you a cool HAA car/window decal to identify you as a proud supporter of the arts!

You can make your tax-deductible donation online! We are a sponsored project of Fractured Atlas, a nonprofit arts service organization\*. To donate, visit our page at:
